Aditi Delivered Successfully

The team deployed proved to be a perfect fit
and was chosen to continue their work for
the client on an ongoing basis.

We Were Entrusted Again

Not only was Aditi preferred to continue its support for the project, but it was also awarded unique assignments within the client program.

Aditi's Specialized Recruiting Crew Was Put to Action

After a thorough process of selecting
and screening candidates from a diverse talent pool,
40 percent of them proved suitable for the role
and were later deployed for the project.

Compliance Parameters Were Met

All measures were strictly adhered to
by the Aditi recruiting team during the entire
project life.
